

Stemming Truck Drivers

Daracon Group has a history of quality and strong performance across broad range of construction activities.

As a result of this strong performance and growth, we currently have the need for a highly specialised Stemming Truck Driver to join the team.

To be successful you **must**:

- Have your HR Licence
- Have detailed Heavy Vehicle experience
- Have your Loader Ticket
- Have an Unsupervised Handlers Licence
- Have strong local geographic knowledge
- Have a good knowledge and understanding of RTA Permit requirements and regulations.
- Have an excellent driving record
- Possess your WorkCover OHS General Induction Training for Construction Work.
- Have an excellent work ethic
- Have a strong commitment to safety
- Be a team player

Wages and conditions are well above award in accordance with our Collective Agreement.

To apply, please forward your resume to careers@daracon.com.au, or apply via the link below.
