

Experienced Low Loader Driver

Daracon Group has a history of quality and strong performance across broad range of construction activities. Daracon's Transport & Heavy Haulage Division has, over the years, developed into a large fleet of diverse vehicles.

As a result of this strong performance and growth, we currently have the need for a highly specialised driver to join the team.

To be successful you **must**:

- Have your HC Licence
- Have detailed low loader experience
- Have proven experience in the loading and unloading of large scale construction equipment
- Dolly experience would also be preferred
- Have strong local geographic knowledge
- Have a good knowledge and understanding of RTA Permit requirements and regulations.
- Have an excellent driving record
- Possess your WorkCover OHS General Induction Training for Construction Work.
- Have an excellent work ethic
- Have a strong commitment to safety
- Be a team player

Wages and conditions are well above award in accordance with our Collective Agreement.
